## The Fusion | The Cross-Genre Expression

The Fusion

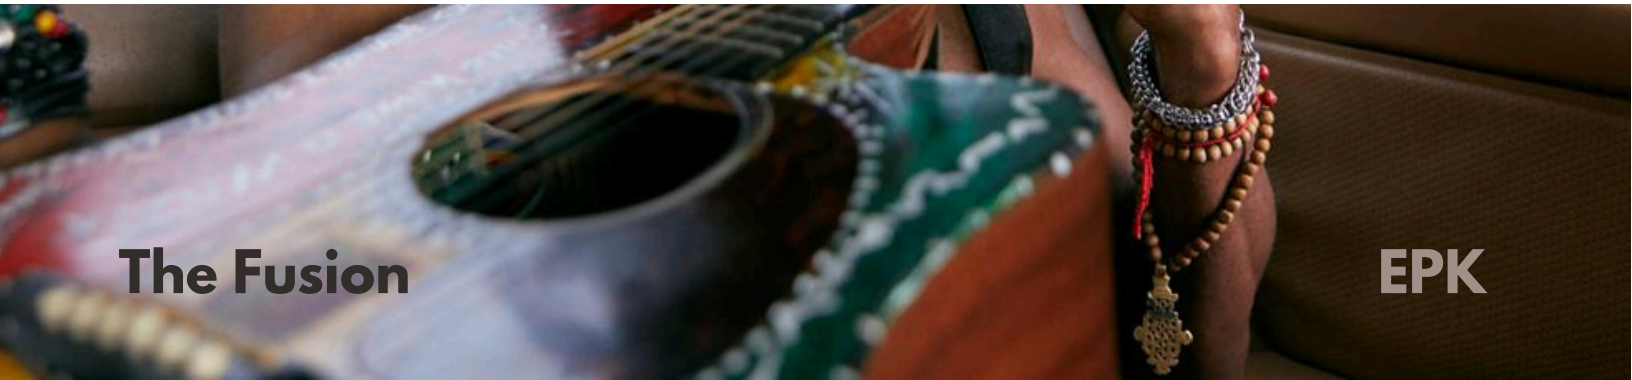

EPK

# About the Artist

**Ky-Enie King creates a sound that lives where roots, soul, rock, and reggae fusion meet. His music carries the warmth of Jamaican storytelling, the emotional lift of soul, and the modern edge of global-roots expression. With a voice that moves effortlessly between grit and tenderness, Ky-Enie blends romance, upliftment, and cultural truth into a style that is both timeless and contemporary.**

**The Fusion Experience showcases this borderless sound — a vibrant mix of roots foundation, soulful melodies, and genre-bending**

# The Experience

The Fusion Experience is the bridge between Ky-Enie King's worlds — a global-roots, soul-rock, reggae-fusion performance that blends the intimacy of Borrowed Time with the cultural fire of Roots & Culture. It's the space where Jamaican foundation meets modern, cross-genre expression, giving audiences a little bit of everything: roots, soul, rock, romance, upliftment, and island-global energy. The Fusion Experience is emotional, modern, and borderless — the fullest expression of Ky-Enie's versatility.

# The Format

**The Full Band Fusion Show delivers Ky-Enie King's global-roots sound with rich live instrumentation and dynamic, cross-genre energy. This format offers the most powerful, expressive version of the Fusion Experience — warm, vibrant, and built for both intimate venues and festival stages.**

**Performance Length: 60 -90 minutes**

**Core Sections**

**- Roots Warmth — grounding tone, storytelling, Jamaican influence**
**- Soul + Romance — emotional lift, melodic connection**
**- Rock / Fusion Energy — dynamic, expressive, modern edge**
**- Global Festival Vibes — movement, upliftment, cross-genre flow**

# Venue Profile

## Capacity: 150 - 10,000+

- Performing arts centers
- Cultural & world music events
- Mid-size theaters
- Outdoor community stages
- University art + cultural.programs
- Boutique music venues

## Production

- Standard backline — drums, bass, guitar, keys.
- Vocal mics — 1 lead + 2–3 backing.
- Monitor — 4–5 wedges.
- House PA — clean vocal-forward mix.
- Basic lighting — simple warm wash.

## Why This Works

Cross-genre appeal — roots, soul, rock, reggae fusion, and global influences
- Message rich repertoire - songs exploring love, social themes, resilience and more
- Strong musicianship — ideal for venues that highlight live performance
- Broad audience reach — multicultural, multigenerational, globally minded crowds
